

SILVER SPURS

SUPPORTING BCYLS

Silver Spurs, supporting BCYLS, is a non-profit, charity buyers group with a mission to support exhibitors at the annual Brazos County Youth Livestock Show premium sale. To fulfill our mission, a fundraising and social event is held annually in November which includes a Casino Night, Steak Dinner and Reverse Raffle. Sponsorship opportunities and table sponsors are available for this event, and we would be thrilled to have your support! We are currently selling tickets for our popular Gun Raffle, \$100 gives you fifty chances to win a gun. Please see any board member to discuss sponsorship opportunities or to purchase raffle tickets! All net proceeds raised from these events will be used to support the BCYLS youth through the premium sale and add-ons.

To date, Silver Spurs has raised over \$654,000 for the youth of the Brazos County Livestock Show. We are grateful to everyone that has supported Silver Spurs!

Mark your calendar for a night of fun at the 2024 Casino Night - Friday, November 15, 2024 at the Brazos Center!
